AA Quality Assured Accommodation Programme

The AA Quality Assured Programme is a marketing tool that has assisted many establishments to present their property with an endorsement of quality. Our establishments strive to attract guests and to meet and exceed their expectations.

How can we help

Added to the benefit of wearing the endorsement as a badge of honour, here are our other savings which will be part of your endorsement year.

- AA membership discount of 15% is offered to the owner or an appointed representative.
- 25% Discount on all business TV Licences
- 15% discount from BnB Sure via Bryte Insurance – contact your broker for more information.
- There is a substantial saving to be had for AA Quality Assured Establishments on Nedbank Credit Card system. Contact Nedbank on 0860 555 111.
- Bulk discounts will apply should an Association or company request AA Quality Assurance for all their members or affiliates.

- Your establishment will be hosted on the new, www.aatravel.co.za website, together with many affiliated websites giving the travelling public all your information and contact details. Allowing the public to present feedback online after visiting your property.
- The ability to directly enter all your establishment details and data onto the website together with in-house support to carry it through.
- Your establishment will be visited annually and a comprehensive report will be tabled to AA Head Office which will then be sent onto you once your establishment has been ratified. You will be given an AA Logo for use on your own website and advertising material.
- You will have access to the advice and guidance of our assessors on how best to capitalise on your endorsement.
- Your property will be placed in its relevant category with your AA endorsement as a mark of achievement in hospitality presentation, service levels and cleanliness.
- We will be advertising your property to our personal AA membership base via our mail and email communications.
- An endorsement from AA will set you apart and will present the traveller, tour operator and corporate traveller with choices in quality, price and location.
